Why advocacy for older people is needed:

Primarily because many older people reach a stage in their lives when they are no longer able to cope with some of the challenges and difficulties they once took in their stride. Timely, skilled and independent advocacy empowers and enables such older people to regain control over their own lives. It is also around securing justice, fair play and equal treatment.

Number of older people receiving one-to-one advocacy:

Projects specifically for older people:

Project Name: Advocacy Project

Funder: Conway County Borough Council (Supporting People)
